

# Currently Enrolled Student Moves Out of Zone

**Situation:** A currently enrolled student moves out of your zone and wishes to remain at your school.

Your currently enrolled student can remain, but must do the following in a timely manner

Parent must complete online **“Moved During the School Year”** application to remain for the current school year

If the request is for a student who is not currently enrolled at your school

Parent may complete an application during the **Open Enrollment Timeline** to attend a different school.

All applications are for the following school year.
