

# New Student to School Within Open Enrollment Timeline

**Situation:** A new student, not zoned for your school, wants to enroll, and it is within the **Open Enrollment Timeline**.

Is the student interested in a change of location?  
(To attend a school that is not their zoned school)

Parent completes **Open Enrollment** application

*Located at:*  
“Open Enrollment-  
Parental Choice” website  
(located under parents/students on  
the BPS website)

Is the student interested in a district curriculum program at your school?  
(*IB, Cambridge, Career Academy, CTE, Choice School, Magnet School, CCC or PSAV*)

Does the student’s zoned school offer the district curriculum program?

Yes

If the zoned school offers the program, then the student may not apply at your school for that specific program.

*This does not apply to IB or Cambridge Programs.*

No
